

If Snowmen Could Make Music

17 Christmas Favorites For Easy Piano Solo
With Duet Accompaniments

Foreword

This card collection has been compiled with accompaniments written in various styles. While some of the harmonizations are arranged classically with counterpoint, others are harmonized in a more popular way to appeal to young students of today. The important liturgical or church-like style with which some of the carols were inspired has been maintained. The solo part of each card should be played an octave higher than written when the accompaniment is used. (The small notes in the solo part are only to be played when performed with no duet accompaniment.) It was a pleasure to provide these arrangements of Christmas Carols for Waterloo Music and we hope they will be enjoyed.

SOLO

It Came Upon The Midnight Clear

When the accompaniment is used, play the solo part an octave higher.

Richard S. Willis

It came up-on the mid-night clear, that glo-ri-ous song of old, from an an-gel's bead-ing near the earth to touch their lar-ge of gold: "Peace on the earth, good will to men, from heav-en's all-gra-cious King!" The world in sol-emn still-ness lay to hear the an-gel's sing.

Canadian Carol

'Twas in the moon of win-ter-time, when all the birds had fled, that might-y Git-chi Man-i-tou sent an-gel choirs to lead, be-fore their light the stars grew dim, and wonder-ing hun-ter heard the hymn: Je-sus your King is born, Je-sus is born, in ex-cel-sis glo-ri-a.
